Call for Papers: 2020 Capstone Design Conference - Now Available!

The 2020 Capstone Design Conference ("CDC20") will be held June 1-3, 2020 in Dallas, Texas, USA on the campus of UT Dallas. As in previous years, CDC20 will include dynamic panel discussions, interactive poster presentations, workshops, keynote sessions, and many opportunities for networking.

The deadline for papers and workshops is January 13, 2020. See the conference website (www.capstoneconf.org) for submission details, including paper templates (4 pages max), workshop forms, and the online submission platform.

CDC20 is supported in part by ASEE DEED - many thanks!

Position Announcements:

University of Delaware - College of Engineering

The University of Delaware College of Engineering is seeking applications for Director of First-Year Engineering at the rank of Continuing Track (CT) Assistant Professor or Associate Professor. CT faculty enjoy contracts that increase in length over time, as well as many of the same benefits as tenure-track and tenured faculty, such as identical titles, a parallel promotion track, sabbaticals, and shared faculty governance. To apply, and for more information, please visit <https://careers.udel.edu/cw/en-us/job/494517>

Colorado School of Mines and Technology

The Engineering, Design, and Society Division at the Colorado School of Mines invites applications for a tenure-track assistant professor position focused on design and society.

We seek candidates with an established research record at the intersection of design and society; a dedication to teaching and experience developing novel ways of engaging students; and the capacity for academic program development.
