## 2020 ASEE Annual Conference & Exposition

Montreal, Quebec, Canada | June 20-24, 2020

### DEED 2020 Conference Update

- Registration and Housing is now open! Early registration ends Apr. 8

#### 2020 ASEE Annual Conference Registration Information

Registration for the 2020 ASEE Annual Conference will open on Monday, January 6, 2020. Click here for additional information on conference registration: <https://www.asee.org/annual-conference/2020/registration>

- Draft papers have been turned in and we have a record breaking **130 papers** submitted! All paper reviews are due by **Feb. 24**. **We appreciate your help in reviewing our fantastic DEED papers!**
- Check out our exciting DEED conference schedule! Use the online session locator with the Design in Engineering Education Division as the only search term.

<https://www.asee.org/public/conferences/172/registration/sessions>

For a full list of dates, see the [ASEE Author Kit](https://www.asee.org/documents/conferences/annual/2020/2020_Authors_Kit_1.pdf) (click to open) [https://www.asee.org/documents/conferences/annual/2020/2020\\_Authors\\_Kit\\_1.pdf](https://www.asee.org/documents/conferences/annual/2020/2020_Authors_Kit_1.pdf)

## Design Vision Competition: Design Disruptions

Provocative. Visionary. Aspirational. Innovative.

NEW

**What is a potential emerging disruptive change that impacts engineering design? Describe your vision in any medium: slideshow, essay, video, storyboard, other....!**

Up to **3 winners** will each receive a \$500 fellowship grant to attend ASEE 2020 in Montreal!

Entries accepted in 3 Divisions: **Undergraduate student, graduate student, practitioner**

**NOW OPEN! To apply - go to the Google Form (<https://forms.gle/695HxcLub2nwSdDKA>)**

Entries due **March 31, 2020**. For the full details, click [here!](#)

### Call for Participation:

**Designing Activities for Student Engagement in Quantitative Engineering Classes—2020 Spring Workshop at Olin College** (<http://www.olin.edu/collaborate/collaboratory/attend/>)

- Hands-on workshop with activities designed to enhance student engagement with quantitative concepts and processes. Activities draw from fundamental concepts in mathematics, physics, and engineering at the second and third-semester college level
- March 5, 2020** on our Needham, MA campus. Questions? Contact [collaboratory@olin.edu](mailto:collaboratory@olin.edu)

**Designing Student-Centered Learning Experiences—2020 Summer Institute at Olin College** (<http://www.olin.edu/summer-institute>)

- Weeklong interactive workshop for faculty teams engaged in a curricular change effort at their own institution
- Through participatory workshops, immersive design exercises, and presentations from experts, teams of faculty learn about, experience, and practice effective, engaging teaching approaches for new and meaningful STEM curricula
- June 8-12, 2020** on our Needham, MA campus. Questions? Contact [collaboratory@olin.edu](mailto:collaboratory@olin.edu)

**12th Annual First Year Engineering Experience Conference (FYEE)** (<https://sites.asee.org/fyee2020/>)

The First Year Programs Division of ASEE is accepting paper abstracts and workshop proposals. The FYEE conference will be held **July 26-28, 2020** at Michigan State University in East Lansing, MI. This year's conference will focus on connecting the first-year engineering classroom with first-year engineering initiatives and programs beyond the classroom.

Paper Abstracts and Workshop Proposals are due **Feb 24, 2020**. Draft papers are due **April 20** with final papers due **June 1**. Please direct any questions to Kevin Calabro at [kcalabro@umd.edu](mailto:kcalabro@umd.edu).

**2020 Capstone Design Conference (June 1-3, 2020, UT Dallas)**

DEED is once again sponsoring the Capstone Design Conference. If you are interested in attending, DEED will be offering a lottery for 2 free registrations! More details soon!
