- Check out our exciting DEED conference schedule! Use the online session locator with the Design in Engineering Education Division as the only search term.

<https://www.asee.org/public/conferences/172/registration/sessions>

For a full list of dates, see the [ASEE Author Kit](#) (click to

open) https://www.asee.org/documents/conferences/annual/2020/2020_Authors_Kit_1.pdf

Design Vision Competition: Design Disruptions

Provocative. Visionary. Aspirational. Innovative.

What is a potential emerging disruptive change that impacts engineering design? Describe your vision in any medium: slideshow, essay, video, storyboard, other....!

Entries accepted in 3 Divisions: Undergraduate student, graduate student, practitioner

Up to 3 winners will each receive a \$500 fellowship grant to attend ASEE 2020 in Montreal!

More information coming soon on how and when to apply!

DEED News

Call for Participation: Designing Student-Centered Learning Experiences - 2020 Summer Institute at Olin College

A weeklong interactive workshop for faculty teams engaged in a curricular change effort at their own institution. It will be held **June 8-12, 2020** on our Needham campus.

Through participatory workshops, immersive design exercises, and presentations from experts, teams of faculty learn about, experience, and practice effective, engaging teaching approaches for new and meaningful STEM curricula.

Questions? Contact collaboratory@olin.edu.

Position Announcements:

University of Delaware - College of Engineering

The University of Delaware College of Engineering is seeking applications for Director of First-Year Engineering at the rank of Continuing Track (CT) Assistant Professor or Associate Professor. CT faculty enjoy contracts that increase in length over time, as well as many of the same benefits as tenure-track and tenured faculty, such as identical titles, a parallel promotion track, sabbaticals, and shared faculty governance. To apply, and for more information, please visit <https://careers.udel.edu/cw/en-us/job/494517>

Florida A&M University-Florida State University College of Engineering Faculty positions in Biomedical and Chemical engineering. See job listings here: <https://www.eng.famu.fsu.edu/cbe/employment/>
