2) DEED Request for Reviewers

Reviewers are needed for DEED abstracts and papers! If you are willing to serve as a reviewer for DEED, please contact DEED Program Chair Reid Bailey (rbailey@virginia.edu). This is a great opportunity to give a little time to DEED and earn eternal gratitude - plus you'll get a sneak peek at some DEED submissions.

3) Manufacturing Division: Call for Makers for ASEE 2015

The Manufacturing Division of ASEE is sponsoring an ASEE Maker Session, similar to a Maker Faire. Participants are welcome from all divisions of ASEE - the only rule is that you must build and bring something to show, display, or demonstrate during the session. Submit your idea to the Manufacturing Division by the Oct 19 abstract deadline. See the full details online: <https://sites.google.com/site/aseemfgmakers/>

4) Fusion of Design Thinking and Entrepreneurial Thinking

Keith Stanfill at the University of Florida is seeking examples of college and university programs that have effective practices for instilling both Design Thinking and Entrepreneurial Thinking principles. Care to share? Please contact Keith at stanfill@ufl.edu.
