DEED 2020 Conference Programming
We are looking forward to another great ASEE conference next year in Montreal, Quebec, Canada. For highlights from the 2019 conference in Tampa, FL, see 2nd page of this newsletter. We have begun programming for the conference with the Call for Papers. Abstract submissions are now open! We encourage your input for the 2020 Conference! Contact us (use the email below under ‘Get Involved’) if you have ideas for workshops, panels, or other special sessions!

DEED Call for Papers
DEED invites abstracts for papers to be presented in either podium or poster format sessions as well as proposals for workshops, panels, and new session formats to be included as a part of the DEED program at 2020 ASEE Annual Conference to be held June 22-24, 2020, in Montreal, Quebec, Canada.

DEED seeks contributions on topics that include, but are not limited to:
- capstone design
- innovation in design education
- design instruction and pedagogy
- teamwork and teamwork in design education
- design for community
- interdisciplinary and multidisciplinary
- sustainable design
- use of technology to enhance design education
- design for “X”, assessment of design activities
- design innovation
- generation and realization
- design methodology and how these topics relate to diversity, equity, access, and inclusion

Authors contributors are encouraged to consider work that would be useful to other design educators and to suggest strategies for transferability and/or implementation.

For the entire 2020 Call for Papers, please visit the DEED website: http://deed.asee.org/index.php/conference-info.

C2W Results: What Transfers from Capstone Design?
The NSF-funded Capstone to Work (C2W) research team studies students’ experiences as they move from capstone design courses to the workplace. We followed participants from four institutions through surveys and interviews to learn about their experiences at work and what they transferred from their capstone engineering design courses to the workplace. We followed participants from four institutions through surveys and interviews to learn about their experiences at work and what they transferred from their capstone engineering design courses to the workplace.

We have released in early 2020. Four winning student submissions will be selected to present their work as part of the ASEE DEED Postcard Poster Session. At the session, the winners will be honored, including the official awarding of $500 (to offset the cost of attending ASEE) and a certificate to each winning submission.

Meet the DEED 2019–2020 Board!

Chair
Jes Kuczynski
Chair-Elect, Secretary, Treasurer, ASEE and DEED Officers
Program Chair, Zahed Siddique
Program Chair-Elect, Kathleen Markos
Past Chair, Robert Nagel
Webmaster, Samuel Dickerson
Grad Student Rep, Kathryn Shroyer
Grad Student Rep, Molly Goidels
Diversity Rep, Sindu Rivera-McDermott
